Re: Limestone Mine - S/027/053

Dear Mr. Robison:

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations of the referenced project. We received a copy of the notice from the Division of Oil, Gas and Mining on July 21, 1994.

This project is for mining limestone and will involve shallow drilling and blasting, a crushing and screening plant may also be constructed. It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
